

Sir Wilfrid Laurier Elementary School PAC

2021 Direct Appeal Fundraising

The Sir Wilfrid Laurier PAC (Parent Advisory Council) is kicking off our 2021 Direct Appeal Campaign. Following over a year of lower-than-usual fundraising due to the Pandemic, **we are seeking to raise \$10,000** to support Earthbites and other programs at our school. **Parents typically donate \$50 - \$100 for each child at Laurier**, equivalent to \$5-\$10 per month of the school year. **All donations over \$20 will receive a tax receipt.**

This year, your donations will fund:

- **Earthbites:** this long-running school program sends the classroom outside, where students help create a class garden, learn about the food cycle from planting and growing to harvesting and recycling, and grow their own healthy and nutritious snacks.
- **Classroom Support:** PAC provides funding each year to supplement programs and supplies not provided by the school board
- **Other:** PAC supports many other programs for students and teachers, like body science and mental health programs, support for grade seven graduation, and scholarships for former Laurier students graduating from Churchill. PAC also occasionally provides funding for technology, playground, and other projects at the school.

We realize everyone's financial situation is different - you do not have to contribute. If you are able to donate, **any amount is welcome and greatly appreciated!**
